Burges Porter Duckworth passed away on Saturday, February 5th, 2022, surrounded by his family at his home in Hurst, Texas. Burges was born at his grandparent's home in Proffitt Community on April 25, 1937, to Foster and Beatrice Duckworth.

In 1959, he met his sweetheart of 62 years, Yuca. They were married in 1961 and had two beautiful daughters, Deidre and Marla. He was blessed with (4) grandchildren—Jensen Smith, Meredith Maeder, Mackenzie Hardister and Graham Hardister as well as (2) great-grandchildren, Harrison and Bennett Smith. The Maeders will welcome his third great-grandchild in May of this year.

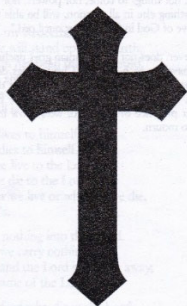

Burges excelled in the mechanical field for 37 years. He then opened his own construction business performing work for several large companies in the Dallas/Ft. Worth area. Burges' love of coaching led him to coach both of his daughter's softball teams for Hurst Girls' Softball League. Upon retirement, he followed his passion for antique restoration where he gained long term clients and friends.

The family requests that any memorial contributions be made in his honor to Dido Cemetery, Permanent Fund at 817-536-4715.
